

**Tell us what you need,
we'll put it in the box.**

Now you can custom order everything you need to complete a specific job. No more mismatched materials. No more poking through a fistful of small pieces. No more back-and-forth trips looking for mismatched parts.

You tell us what you need. 3M puts it all in the box for you – exactly as spec'd.

Talk to your 3M distributor /representative to learn more about how you can customize your JobBox order, or call 1-800-3M-HELPS.

3M JobBox. Easy to spec, easy to order, easy to use.
